RIVERSIDE LIVING

ACTIVE LIFESTYLE LIVING IN BRANDON, MANITOBA

Nestled in the beautiful Assiniboine valley in Brandon, Manitoba, Riverside Lifestyle Estates is enhancing the definition of what lifestyle is all about. With the historic and panoramic Wheat City Golf Course on its doorstep, along with exciting plans to re-energize the accompanying arena and turn it into a standard size ice skating rink, complete with a restaurant and commercial space, Riverside Lifestyle Estates is quickly becoming the place to be with everything life has to offer.

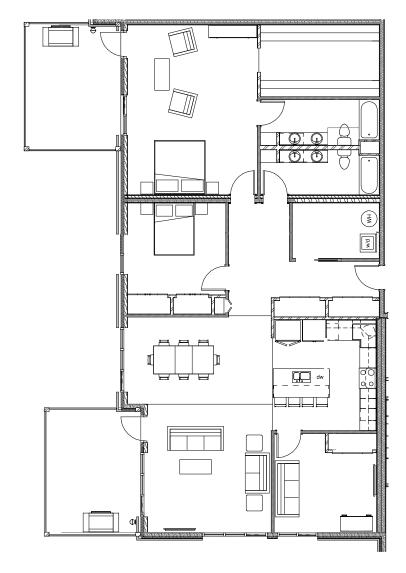

Picture yourself waking up in the morning overlooking the Assiniboine River and golf course. In the summer you may decide to go for a walk and have your coffee by the river, head out for a quick bike ride in the quiet tranquillity of the valley, or sneak in 9 holes of golf before work. In the winter, how about waking to beautiful snow covered trees and deciding to head over to the newly renovated arena and restaurant where you can watch your kids or grand kids give it their all on the ice, while you visit with friends.

Riverside Lifestyle Estates is truly about lifestyle and a sense of community. Whether you enjoy all or some of the amenities that you will have on your door step, ultimately we believe this development is one of kind that fits you.
